

Friends of the Zion Historical Society can buy a brick to raise funds to preserve Shiloh House. Your brick can commemorate a special event in your life, honor a dear friend or family member or memorialize someone special. Pay tribute to your business, a sports team, civic group, church family or class reunion, or simply purchase a brick in support of Shiloh House. Bricks will be added to our existing brick garden.

BRICKS MAKE GREAT GIFTS!

Order a personalized engraved brick as a gift and we'll provide a Certificate of Recognition you may present to the receiver as notification that a brick has been purchased as a gift for them to be placed in the memorial brick garden. Recognize your loved one's birthday, wedding anniversary or retirement. A commemorative brick makes a wonderful Christmas gift for that person who has everything.
